The “Covid-19” Corner

This is an important time in our history and stories, thoughts, and experiences all need to be told and saved. Any information that you choose to share will be preserved as part of the Flagg Township Museum collection.

Not sure what to tell us?

Use the “**Document your COVID-19 Story**” form and/or our “**COVID-19 Survey**” form to help you get started. Links to these forms can be found on our website – www.flaggtownshipmuseumrochelle.org - and copies of these forms are also available at the museum.

Not sure what we want to collect?

Well, just about anything that has to do with the COVID-19 pandemic is worth collecting. If your business posted hearts...save one for us. If you drew pictures...make one for us. If you made a tape or a video...make a copy for us. Artifacts and objects, photos, blogs, postings...think about sharing with us.

A special email account has been set up to accept whatever you choose to share. Flaggtownshipmuseumcovid19@gmail.com

Put something in the mail to the museum.
